POINTS ABOUT BALL.

RICHMONDS WILL PLAY HAMILTONS A GOOD GAME.

Game Yesterday a One-Sided Affair--What Mike Kelly Thinks of the Brotherhood--Tells to One in Favor of the Bostoners.

The game of ball yesterday at Boschen's Park between the Boston and New Yorks was certainly a fast day for the Boston Eaters, but as an exhibition game of skill in ball playing it was a dismal failure.

It has ever been the case on the diamond, and if the playing of the New Yorks is any criterion of their handling of the sphere in the championship games, the pennant will not float over their grounds at the end of the season, as it did last year.

Be it said to the credit of both clubs, however, their fielding was excellent. Sovey plays a beautiful right field and is a steady and reliable catcher. The Boston Eaters, the old veterans, handled the ball with their usual care and quickness.

It was a pity that Kelly did not exhibit as an athlete as he has shown in the past. Kelly is a very pretty put out.

THE NEW PITCHER. John Ewing, the new pitcher for the Boston Eaters, did not come up to expectations. He pitched a very good game, but although he throws a very pretty ball, Vaughn, as catcher, is splendid, and has hardly any equal in the game.

COMMISSIONER OF REVENUE.

Richmond, Va., April 1, 1890.

Having learned of various and untrue statements as to the arbitrary method of the assessment of taxes exercised by myself, I beg to state that whenever I have had reason to doubt or question the returns made by any one, I have either personally examined the same, or caused them to be examined and examined into the matter of the return with the parties having made such return, and have then fixed the valuation upon the exact facts verified, making the assessment only in accordance with the City Act, and in accordance with what the law requires, and in accordance with what was approved by the Finance Committee in cases of dispute. The evidence of such returns is on file in the Auditor's office, and is open to the examination of any one interested, and will be made so.

Respectfully,
R. B. MURFORD,
Commissioner of Revenue.
